SLEEPER SUPPORT SYSTEM

GUARANTEED TO FIT AND FORGET

Galvanised Steel Sleeper Support System for Enduring Stability

Introducing our premium FENCEMATE® Sleeper Support System, designed for professional landscapers. Perfect for creating durable raised beds, planters, and steps, these pins offer robust support and flexibility. Simple and easy to install, they are ideal for both professionals and DIY enthusiasts.

Made from high-grade, galvanised steel, they ensure your structures remain secure and stable. For added longevity and elegance, opt for the powder coating option, which provides extra protection against the elements.

Save valuable time with our straightforward installation process and enjoy consistent performance for any landscaping project. Choose our Sleeper Support System for superior craftsmanship and durability.

HERE WHEN YOU NEED US

SLEEPER SUPPORT DISPLAY STAND

A merchandising display stand for FENCEMATE® sleeper support items boosts visibility, organizes products neatly, and includes educational signage to guide customers.

It encourages cross-selling, enhances the shopping experience, and offers space for promotions. This leads to increased sales and higher customer satisfaction.

Granville House Unit E, The Heights Business Park, Ibstone Rd, Stokenchurch, High Wycombe HP14 3BG
